ENTRY GATE & VEHICLE RULES

1. The vehicle Entry Gate will open when a vehicle with an activated Gate card, transponder or enters via the Call Box. The vehicle Exit Gate opens whenever a vehicle drives over an underground sensor. The Gate card/Transponder will open the pedestrian gate on the sidewalk from outside. The pedestrian gate can be manually opened from the inside by a push button.
2. To avoid damage to the gate and vehicles and to address *safety/security* concerns, only one vehicle may pass through the entry gate each time it is opened. The gate camera system will photograph vehicle license plates that “tailgate” through the gate. Tailgating will be grounds for enforcement action including fines.
3. All drivers and owners of Approved Vehicles and/or any motorized vehicles, including motorcycles or any customized vehicles, that are driven or parked on Condominium property must, use safe and courteous driving practices, and not create vehicle-related nuisances of any sort. This includes leaking vehicle-related fluids, discharging excess exhaust or motor emissions, loud mufflers, honking, motor revving, and acceleration related sound disturbances to any Owners, Occupants, Residents, or their guests. Violators are subject to Enforcement Action including fines.
4. Gate cards or transponders will be issued only to Approved Vehicles upon application, supported by a current Driver License, Vehicle Registration, and proof of Vehicle Insurance. A vehicle temporarily visiting overnight or longer-term, including rental cars or vehicles owned by guests, must obtain a Temporary Pass from the management company. All Approved Vehicles must have visible Parking decals which have been attached by the management company. Vehicles on the premises overnight without a visible Resident Decal or Temporary Parking Permit will be ticketed and towed in accordance with established towing procedures. Arrangements for Temporary parking permits (*i.e. overnight parking, guest parking or rental cars*) MUST be made ahead of time *by*:

5. All residents will receive a vehicle decal(s). A maximum of one (1) for a one-bedroom unit, two (2) for a two-bedroom unit, and three (3) for a three-bedroom unit is permitted. The amount of decals issued may be adjusted by approved occupancy and number of approved vehicles in the unit. This has been determined by the number of available parking spaces. Only drivers specifically named on a lease will be allowed to obtain (1) decal per vehicle. All residents will need to provide vehicle information and driver’s license.

Unit # _____

6. One name and telephone number per Unit (either the resident owner or the approved tenant) may be listed in the call box. Cell phone or landline numbers are eligible to be listed with any three-digit United States area code. Visitors may scroll to their host's name on the Call Box to request entry. Upon receiving a visitor call, the host must press number 9 on their telephone if they wish to open the entry gate. Please do not allow anyone you do not know into our community as they are considered trespassers if they are not invited guests.
7. Only vehicles properly accessing the Entry Gate with Gate cards, transponders, or the Call Box are permitted on Association property. All other vehicles will be considered trespassers and are in violation of our Rules and Regulations. Penalties include prosecution, towing, and fines.
8. A 24-hour camera system records the vehicle image, license plate, date, and time of entry for every vehicle that approaches the Gate. Additionally, the Call Box records the Unit owner/tenant name, date, and time of each entry when a Gate card, transponder or Call Box code is used. This information is used as evidence to support enforcement action or reports to police.
9. New owners, new tenants, and those who change cars must obtain new parking decal from the management company. A management representative is in the clubhouse office during posted office hours to help with any Gate problems. There is no charge for new parking decals or to program new names and phone numbers into the Gate system. All parking decals must be attached to the vehicle by the Management Company.
10. Police, fire, mail, school buses, and selected vendors receive keys or codes to open the Entry Gate. Owners and tenants scheduling deliveries or services must advise their vendor to call them on the Call Box or make other arrangements.

12. Temporary parking permits are intended for the convenience of owners, tenants and their guests. Each use of the Temporary Parking Pass is recorded and matched with the record period for which the pass has been authorized. Any verified abuse of the Temporary parking permit system will result in fines or suspension of privileges or both.
